RENZ

Site

Für alle Ordner, Unterlagen und Dinge des täglichen Bedarfs, die im Büro oder in Konferenzräumen aufgeräumt verstaut aber griffbereit zur Verfügung stehen sollen, gibt es Site. Modular, zurückhaltend, hochwertig. Das vielseitige Programm folgt dem Prinzip Baukasten, geeignet für Wachstum und Wandel. Site gibt Räumen optische Ruhe, klar und markant. Nicht zuletzt durch die großzügigen, ebenmäßigen Fronten und das graphische Fugenbild. Die schlanken Griffprofile unterstreichen ästhetische Leichtigkeit. Ob als stehendes oder wandhängendes Element: Ein durchgehender oberer Abdeckboden ist bis zu einer Länge von 250 cm ohne Querfuge realisierbar. Das durchdachte Maß-, Material- und Farbkonzept erlaubt Kombinationen mit allen RENZ-Programmen, individuell planbar in jedem Raumzuschnitt, für jede Arbeits- und Organisationsform. Site gibt es edel furniert oder in ausgewählten Farbtönen lackiert. Lieferbar sind offene oder geschlossene Elemente. Mit Drehtüren, Schiebetüren oder Klappen. Langlebige, anspruchsvolle Materialien, präzise und mit viel Liebe zum Detail verarbeitet.

Site

For all the files, documents and everyday utensils you need to have within easy reach, but neatly stored out of sight in the office or conference room, there's Site. Modular, restrained, distinctive. The versatile programme grows and changes along with your needs. Site's striking clear lines, generous harmonious fronts and the fine door and drawer seams lend tranquility to the room. Slender handle profiles underscore aesthetic lightness. Whether you select a standing or a hanging element, a seamless top cover panel is available in lengths up to 250 cm. The sophisticated system of modular sizes, materials and colours make Site easy to combine with all of the RENZ programmes, so custom-tailoring for any room layout, working style or form of organisation is easy. Site is available in fine veneer or lacquered in selected colours. Both open and closed elements are available, with swing, sliding or horizontal doors.
